Do you need a 4 week, 8 week or 16 week program?

Are you looking for material for a Morning of Reflection or an Advent or Lenten series?

Are you looking for a 4 week series on Discipleship or Everyday Spirituality?

Ponder This can provide material for all of these needs. Each story stands on it's own or can be combined with others to build a program just right for you.

"**Ponder This** is the perfect outreach for at-home moms looking to find a way to become more connected to their faith and their parish family. As a staff person, I know the need for such programs, but I am often overwhelmed by varied responsibilities and can't offer the help I would like to. **Ponder This** provided that help, and in a very easy way. The program was an all-around success!"

"**Ponder This** is grounded in the human experience we all share and draws the participant into reflection and insight to see God's amazing presence in our daily experiences of life. I can't imagine a pastoral leader who would not benefit from considering implementing this in their evangelization and faith formation efforts."
