

## Resource for Intergenerational Faith Formation

### The Secret Ingredient...Parents: Effective Models of Intergenerational Faith Formation

The Archdiocese of Milwaukee collaborated with Tomorrow's Present and St. Anthony on the Lake Parish (Pewaukee, WI) to produce this new resource for directors of Christian formation.

Based on effective programming in the Milwaukee area, this 24-minute DVD and CD manual bring to life three models of intergenerational faith formation:

- The Comprehensive Model
- The Enhancement Model
- The Community Model

Featured programs in this DVD and CD include:

- St. Anthony on the Lake Parish
- Our Lady of Lourdes Parish
- East Side Child and Youth Ministry
- Divine Savior Holy Angels High School
- House of Peace Teen Leaders

The CD manual provides a handout for parishes to use with the DVD as well as extensive background information, including several resources on the use of the "Christian Practices" in a variety of settings.

Please return to the web page for information on ordering and obtaining other intergenerational faith information.
