**March 26 - 28, 2010  
October 15 - 17, 2010**

# *New Horizons: Weekend of Healing*

## *What is it?*

The **New Horizons** weekend retreat is a one time opportunity for reflection, personal work, and celebration to help people embark on a new phase of life after divorce.

In an open, honest, and caring Christian environment, you can leave behind the tensions of daily life. Here, you will be safe to explore hurts, desires, ambitions, disappointments, joys, and frustrations. You can find a sense of direction for the next phase of your personal journey through listening and talking – to oneself, others, and God.

## *Who is it for?*

The Weekend of Healing is for men and women who are divorced or separated with no chance of reconciliation. Those divorced, recently or for years, will find the weekend rewarding.

If you seek closure and understanding and want to start to grow in your new life, the **New Horizons** weekend is for you. The weekend is not a retreat in the sense of being a two-day withdrawal from the world. It is a weekend of involvement.

Although the weekend is a ministry of the Catholic Archdiocese of Milwaukee, members of all faiths are welcome.

## *What happens on the weekend?*

The **New Horizons Weekend** is directed by a team of divorced persons and a chaplain. It runs from Friday evening until Sunday afternoon. The structure of the weekend is:

### — **Presentations**

These are given by members of the team. They relate to different aspects of marriage and the experience of separation and divorce.

### — **Personal Reflections**

Participants are given private time to reflect on their own experiences.

### — **Small Group Sharing**

The group setting affords the participants an opportunity to rediscover the strengths and joys of life within themselves and one another. Participants can share what they choose in a comfortable and safe environment.

Meals, fellowship, and worship are also important parts of the weekend.

## *Participants' comments:*

*“This weekend opened the door to the healing process.”*

*“I was able to put closure to my marriage and put the past in perspective.”*

*“I was given the opportunity to move through anger and sorrow to forgiveness.”*

*“The honesty and openness of others helped me to be real.”*

*“I gained new hope for the future.”*

*“I appreciated the caring and support of the team.”*

*“The nonjudgmental atmosphere allowed me to share my feelings.”*

*“I was given permission to hurt as well as laugh and not feel threatened by being a divorced person.”*

The ONCA is an ancient Egyptian symbol of physical and eternal life. Adopted by early Christians to symbolize their new life in Christ,

the ONCA is also the symbol for

**New Horizons**. The lower arc represents the sun rising on the horizon, and the encircling oval signifies wholeness.
